

*Do not judge the career suggestions. A suggestion may spark additional ideas of possible work environments or careers.*

# Career Poll

**Take a poll of careers others can “see” you in.** Ask four or more individuals (friend, family, significant other, your hairstylist, etc.) to suggest careers they think you might be interested in, good at, and/or would match you. For each career, ask why they suggested that occupation. Include your reactions to the suggestions. Such as: Are some a surprise? Why? Are you already considering some of them? Are there some you have never heard of? Are there some you want to learn more about? Etc.
