**Culture Café:** Culture Cafe brings all globally minded members of the UWM community together over an informal coffee hour. Each Culture Café features a different country or culture for all to come and learn about. The presentations are approximately 20 minutes long and can encompass anything concerning a country or a culture and its people. We encourage speakers to bring visual aids or cultural items. Culture Café is informal and attendees generally have many questions after the presentation.

I am interested in presenting at Culture Cafe: Yes \_\_\_\_\_ No \_\_\_\_\_

**Peer Mentors:** Peer Mentors is a program to help international students get acquainted with UWM, American culture, finding an apartment, the bus, and locating a grocery store. This is a great experience for anyone interested in meeting people from other countries.

I am interested in the peer mentoring program: Yes \_\_\_\_\_ No \_\_\_\_\_

**Small Speakers Bureau:** The Small Speakers Bureau is designed to broaden international awareness and promote international education in area K-12 classrooms. International and return study abroad students present their cultures and experiences. International students benefit by interacting with a local class. In addition, these visits inform Milwaukee youth of cultures and customs other than their own and start them on a global journey. Return study abroad students demonstrate what K-12 students can one day accomplish.

I am interested in visiting a public school: Yes \_\_\_\_\_ No \_\_\_\_\_

**Special Events:** GSA organizes many special events throughout the semester and gladly welcomes any student who wishes to participate.

**International Bazaar:** International Education Week in November

**Volunteer Projects:** Hunger Clean-up, etc.

I am interested in special events: Yes \_\_\_\_\_ No \_\_\_\_\_
