

STAY INVOLVED WITH STUDY ABROAD

You may be asking yourself the question, "What can I do to continue my experience now that I'm home?" Many people feel the life they had prior to going abroad isn't quite the same as the life they have now that they have returned. Most sense a change in friends, school and their general environment and find reentry almost as challenging as assimilating to a foreign culture.

Please give the following activities your consideration. Checking an activity will not obligate you in any way. We will simply send you more information or contact you directly.
