Re: (SSN)

Dear _____:

The University of Wisconsin has been notified that your name and/or Social Security number on the University's records does not match the information in the records of the Social Security Administration.

The number on the University's records is indicated above. If this number does not agree with the number on your Social Security card, please come to the Human Resource Department to get this information corrected on your record.

If this number is the same as the number on your Social Security card, please contact the local Social Security Office to clear up any misunderstanding regarding your name and/or Social Security number.

This is an important issue and should be taken seriously. Your Social Security number is used to report not only your payroll tax withholding but many of your benefits, such as health and retirement.

If you have any questions please contact our office at XXX-XXXX.

Sincerely,

(Benefits Specialist's)
