

**AMERICAN GEOGRAPHICAL SOCIETY LIBRARY  
UWM LIBRARIES**

**Position available:  
GIS Student Assistant**

The AGSL is seeking a responsible, detail-oriented student to work 20-40 hours per week over the summer and 10-20 hours per week during the school year. Duties include processing digital data requests for patrons, working on various GIS-related projects and performing general library tasks.

The AGSL is open Monday through Friday from 8:00am to 4:30pm.

**Desired skills:**

- Basic understanding of maps and map projections
- Basic GIS coursework
- Familiarity with ESRI software, including ArcGIS
- Familiarity with AutoCAD file formats, Adobe Photoshop helpful
- Familiarity with ArcGIS Server and georeferencing also helpful

**To apply:**

Pick up an application from the Personnel office at Golda Meir Library (1<sup>st</sup> floor, West Wing). Make sure to tell them you are seeking a GIS position in the AGS Library.

Submit the completed application to Craig Wesley, UWM Libraries Human Resources (in the Personnel office). Please indicate on the application "AGSL GIS Student Assistant."

Please submit your application by **Friday, May 9, 2008**
