

# How to Locate Curriculum Guides

Curriculum Guides, available for nearly all K-12 subjects, are located in file cabinets at the west end of the CCM area. They are arranged alphabetically by subject, then by location. File cabinets on the north side hold the Wisconsin Curriculum Project (WCP) guides, which include guides from the Milwaukee metro area. File cabinets to the south hold guides from other parts of Wisconsin, other states, and Canada.

## Curriculum Guide Subject Categories are:

ADULT	EXCEPTIONAL- ED	MUSIC
ART	GENERAL	PHYSICAL EDUCATION
BUSINESS	HEALTH	SAFETY

Within these subject categories, curriculum guides may be further subdivided into more specific topics (e.g. Language Arts – Foreign). All curriculum guides can be found in the online catalog. Curriculum guide call numbers begin with the letters C.S.
