GEOLOGY

The Multimedia Library, located on the first floor in the east wing, has over 7,500 videotapes, DVDs and audiobooks covering a multitude of subjects. Below is a listing of titles currently available on the topic of Geology. For more information on these titles, consult the Libraries' online catalog. UWM faculty, staff, teaching assistants, research assistants, and graduate students can check out videotape, DVD and audiobook titles in the Multimedia Library collection for up to seven days depending upon availability. UWM undergraduate students may borrow videotape, DVD and audiobook titles from the Multimedia Library collection, except for titles that have been placed on Media Reserve, for up to three days depending upon availability. All of the titles can also be used in the Libraries's Multimedia Viewing Room (E157). For more information consult the Multimedia Library's web page at <http://www.uwm.edu/Library/media/media.html> or phone us at 414-229-4673.
