

Course Registration History

The Semester I Course Registration History lists registrations by section for the last 5 years (9 semesters). The Semester II Course Registration History lists registrations by section for the last 5 years (10 semesters). The Summer Session Course Registration History lists registrations for the last 10 summers.

The information is sorted by curricular area number. Registrations are based on the official campus data.

COURSE NUMBER	1994		1995	
	SEMESTER I SEC	REG	SEMESTER II SEC	REG
101	DS601	20	DS601	21
101	DS602	23	DS602	22
101	DS603	21	DS603	21
101	DS604	21	DS604	21
101	DS605	22	DS605	20
101	DS606	20	DS606	7
101	DS607	20	DS607	12
101	DS608	18	DS608	3

The total registrations for each section type (LC, LA, DS, SE) is followed by a single asterisk (*).

The total number of sections is followed by a pound sign (#) in the SEC column. The average section size is followed by a # in the REG column.

The total enrollment in the course is followed by a double asterisk (**)

Only the registrations in those sections that have a credit value associated with it are included in the course total.

The total registrations for the curricular area number is followed by a triple asterisk. (***)

The total registrations for the College is followed by four asterisks. (****)
